# PREPARE | EDUCATE | EMPOWER

## ABOUT THE PROJECT

Funded through the Community Wildfire Defense Grant (CWDG), the project will educate residents on wildfire preparedness, mitigation strategies, home assessments, and defensible space work on approximately 500 homes in Siskiyou County.

- The Project will consist of conducting FREE wildfire home assessments to Siskiyou County residents
- Complete Defensible Space work on approximately 500 homes
- Identify and prioritize areas for fuel reduction and roadside fuel breaks to create safer ingress and egress for firefighters, emergency personnel, and residents
- Coordinate, plan and execute community outreach events aiming to reach 29 communities across the county.
